The information shown above on Committee memberships is taken from the Council's yearbooks and so will not show any mid-year changes, to check for such changes would need to be done via the printed minutes and would take over the 18 hour limit. Section 12 of the Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for local government is set at £450. This represents the estimated cost of one person spending more than 18 hours in determining whether the department holds the information, locating, retrieving and extracting the information.

We estimate it will take almost 30 hours to process your request. This is calculated on 15 hours to locate and retrieve all the minutes from our archive and then 15 minutes to check each one, with an excess of 55 meetings.

This is therefore a Refusal Notice under section 17.1 of the Freedom of Information Act, because under the provisions of section 12.1 of the Act, the Council estimates that to comply with your request in its current form will exceed the appropriate limit.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request.
