

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

How many qualified Social Workers were working on a temporary basis at the Council on 2nd July 2012 analysed by:

- 1. Children's Services**
- 2. Adult Services**

ANSWER:

Children's Services = 6

Adult Services = 21

Both children and adult services make occasional use of temporary social workers, for example to fill temporary vacancies arising from maternity leave or secondments of social workers to other posts. Leicester adult services are currently making higher than average use of temporary social workers to deliver a specific short term transformation project; this is re-assessing existing service users and moving them on to a personal budget, in order to achieve Department of Health targets.
