

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

The Institution of Environmental Sciences is investigating the number of land sites designated as 'contaminated' under Part 2A of the Environmental Protection Act (1990) and we would like to request the following information from the council:

- **The number of sites designated as 'contaminated' under Part 2A of the EPA since it's introduction in 2000**
- **The number of sites successfully remediated to date**
- **Therefore the current number of sites still designated as 'contaminated' within your jurisdictional boundaries.**

ANSWER

- There are no sites designated as "contaminated" on the register as required under the provisions of Part 2A of the Environmental Protection Act.
- Most of the sites within the city have undergone remediation under the Provisions of the Town and Country Planning Act.
