<sup>1</sup> Includes sites under construction or with the benefit of planning permission, including sites with a resolution to grant, as at 31/03/2018

<sup>2</sup> In each case the figure relates solely to projected delivery during the period prior to 31/03/2031; includes plans published since 31/03/2018

<sup>3</sup> The figures given represent working assumptions of the notional capacity (to 2031) of new allocations to be made in future local plans; they are provided solely to inform estimates of overall capacity and do not pre-empt due local plan process.

<sup>4</sup> Includes sites with the benefit of planning permission, including sites with a resolution to grant, plus allocations in an adopted plan, all as at 31/03/2018
