My enquiry is about: Other

Message: Again Car Music Centre 345b Catherine Street a non essential business had at least 7 vehicles out side on the 2nd of Feb 2021 People were not social distancing not wearing mask fixing radios and merrily spreading the virus. This business has been working throughout the shutdown how you expect to stop the virus by allowing non essential business to keep trading defeats me. every time i visit Car Music Centre is always open and working.

these recordings are clearly confidential a quick way would be to get a staff member to phone and ask for a new radio and then you will know for sure.

Dear

Thank-you for contacting me today to discuss Car Music Centre (CMC).

As discussed I am happy to look at CMC again if you are able to send copies of recordings and photographs. I have further asked if the health and Safety team can have look at the covid secure practices of the business.

Kind regards,

Trading Standards

Subject: Continual breaches of lock down in Leicester

Dear all

The attached three photos were taken at One PM Monday 9/11/2020 outside the Car Music Centre ? 345b Catherine Street. Leicester This was the beginning of the first week of lock down for non essential business.

The photos show front door with its flashing OPEN sign. Cars in grounds being worked upon and rear garage doors open All with no face mask or social distances.

The owner Mr Patel kept his business open throughout the previous lock down.
