

## **Leicester's Transport Recovery Plan** **Creating Space to Travel Safe**

**Dear Resident living near Buswell Lodge Primary School**

**Beauville Drive – the entire length (both sides) no waiting 8.30am to 9.30am & 2.30am to 3.30pm; Mon to Fri.**

You may have heard that in response to Covid 19 we are putting in measures around schools to enable residents, including school children to make safe socially distanced journeys to School. As our public transport networks are running at reduced capacity, we are working to prevent levels of traffic around the schools becoming worse than before Covid-19.

In order to do this Leicester City Council are developing traffic management measures around schools including temporary parking restrictions and School Street closures. The aim of these traffic management changes is to create quieter and safer streets that enable families and individuals to feel confident in being able to keep to social distancing guidelines whilst walking and cycling to and from school. Please find a plan of the restrictions planned for the school near your home attached to this letter.

The temporary restriction will be the entire length of Beauville Drive (both sides) no waiting 8.30am to 9.30am & 2.30am to 3.30pm; Mon to Fri. Deliveries and bin collections will continue as normal.

Pupils will be returning to the school near your home on the 1<sup>st</sup> September and so the parking restriction proposals will be put in place during the bank holiday weekend before. The traffic and travel at the school run times will be monitored by highways staff, and the measures are effective, the school street closure may not be implemented. The temporary parking restrictions will be monitored for effectiveness.

For more information on Leicester City Council's Transport Recovery Plan and answers to frequently asked questions go to: <https://www.leicester.gov.uk/your-council/coronavirus/cycling-and-walking-pop-ups/> or <https://www.leicester.gov.uk/schools-and-learning/school-and-colleges/returning-to-school-for-the-autumn-term/travel-to-and-from-school/>

We would very much like to develop a scheme which works well for everyone. If you have any enquiries that have not been answered on our website, please Email [transport-strategyenquiries@leicester.gov.uk](mailto:transport-strategyenquiries@leicester.gov.uk) or contact our Environmental Service Line on 0116 4541001

**Stuart Maxwell**

**City Transport Director**
