

**PLANNING, DEVELOPMENT & TRANSPORTATION DIVISION
Delegated Powers Certificate**

**Appropriation of Former Toilets at Infirmary Square
Dedication of Highway Maintainable at Public Expense
(Former Toilets at Infirmary Square)**

This is to certify that the proposal, details of which are set out below, has been approved by me under the authority conferred on me in accordance with arrangements made by the Chief Operating Officer for the discharge of responsibilities delegated under Part 3 of the Constitution (Executive Arrangements), and the requirements of the Council's Articles of the Constitution and Rules of Procedure have been complied with.

Signed Dated ..14/09/2022.....

Director of Planning, Development & Transportation

The property UPRN 0795 - Infirmary Square Toilets, shown edged red on the attached plan is owned by the council and is recorded by the Director of Estates and Building Services as being held by the Director of Planning, Development and Transportation - Flood Risk and Drainage.

The land used to be the location of public toilets, which have been demolished with the area being left with a continuous bituminous surface. The land, should therefore, be recorded as being appropriated to the Director of Planning, Development and Transportation – Highways.

Upon completion of this form the land will be recorded as being highway maintainable at public expense pursuant to the provisions of the Highways Act 1980 (as amended), the effect of which will include responsibility for management, repair, and maintenance in respect thereof.

Please amend your records accordingly and inform Estates and Building Services, Property Information Section when completed.
