Dear Sir/Madam

RE: Pop-Up Cycle Lane – Braunstone Lane East

Leicester City Council has been awarded funds from Active Travel England to support the development of 'key worker corridors' to provide attractive choices for people to get to work, education, local and other facilities.

Proposed Scheme

The temporary pop-up cycle lanes introduced during the 'Covid-19 Lockdown' along Braunstone Lane East will be made permanent. The scheme consisting of uni-directional cycle tracks from the junction of Narborough Road to the entrance to the Football Ground prior to the Great Central Way bridge will consist of more durable kerbs and wands.

If you have any questions or comments regarding any element of the scheme, then please do not hesitate to contact me. Should you wish to discuss the proposals further or if you have any other queries please write or email to: [REDACTED]@leicester.gov.uk

City Highways on behalf of Leicester City Council will be carrying out the proposed cycle improvement works along Braunstone Lane East between its junction of Middleton Street and Narborough Road. The works are programmed to commence on Sunday 16th July 2023 07:30 – 16:00 for 4 weeks. In order to carry out the works safely, Braunstone Lane East will be restricted to one-way from its junction with Narborough Road to its junction with Riverside Drive for the duration of works.

Should you have any queries or require assistance with site issues whilst the works are in progress, please contact [REDACTED] on 0116 454 [REDACTED] Email [REDACTED]@leicester.gov.uk or [REDACTED] (site supervisor) on 0116 454 [REDACTED]. For any Traffic Management issues please contact [REDACTED] on 0116 454 [REDACTED] Email [REDACTED]@leicester.gov.uk).
